"I've performed hundreds of Votiva treatments, including treating patients as a part of my published research. To date, my patients have not had a single complication and virtually no discomfort."

- Dr. Jeffery Caruth | OB/GYN

WOMEN'S HEALTH & WELLNESS

Votiva with FormaV, is registered as a therapeutic device for the treatment of sexual dysfunction or as an adjunct to Kegel exercises (tightening of the muscles of the pelvic floor to increase muscle tone) and cleared for temporary improvements in blood circulation, muscle pain relief and muscle relaxation. Votiva with FractoraV, is a radio-frequency handpiece for fractional coagulation of tissue.

"My patients that have had Votiva are thrilled with their results. Many have come back, even after the first treatment, with a dramatic improvement in symptoms."

- Dr. Jennifer Owen | OB/GYN

"It's been two weeks now that I've had Votiva done, and I can see a noticeable improvement across the board. I'm really excited about the results thus far."

- KELLY | AGE 56
